The Easy Way To Start Housekeeping

As you look over these tempting displays and learn how to prepare the many good things to eat, thoughts naturally turn to having a home of your own.

It is not hard to start housekeeping if you prepare in advance. Use a savings account to provide for the event—pay for the goods in cash and profit by the discounts. Starting a home with everything PAID FOR is the best way.

We shall be glad to open a "Housekeeping Fund" account. Bring in \$1.00 or more and we will issue a pass-book in your name. May we look for you soon?
